### CLEAN UP THE STREETS

The street cleaning department should make an extra effort to have all of the streets cleaned off the early part of the week on account of the fact that there will be a large number of visitors in the city to attend the Ebenezer Presbyterian at the First Presbyterian Church. These visitors will come from all over the northern part of Kentucky and they should get as good an impression of the city as possible. Maysville is the leading city of this section of the state and should always present the appearance of a live one.

Mr. Edward Parker, student at State University, Lexington, Ky., spent the Easter holidays with his parents, Mr. and Mrs. J. E. Parker, of East Second street.

### WARDA HOWARD DESIGNS OWN HATS FOR "THE RAVEN"

Warda Howard, who plays opposite Henry B. Walthall in "The Raven," Essanay's six-act feature photoplay from George C. Hazelton's romance of Edgar Allan Poe, possesses considerable knowledge as a milliner, and this was used to good advantage when she was cast for the feminine "lead" in this production. The action of the play is in the early part of the nineteenth century and as it was impossible to find just the right kind of hats required for her, she proceeded, with the aid of several pictures of that period, to make her own. She produced several very charming hats, which greatly become her, "The Raven," featuring Mr. Walthall and Miss Howard will be seen at the Pastime this afternoon and night.

## GREAT INTEREST

Shown in the Big Patriotic Meeting  
Held in the Washington Opera  
House on Sunday Afternoon—  
Almost 2,000 Persons  
Present.

That Maysville people are patriotic and willing to make sacrifices for their country was shown conclusively yesterday afternoon in the Washington Opera House, when the big patriotic meeting, which had been heretofore through the newspapers and other means was held. The crowd present was estimated to be almost 2,000 persons. All of the seats were taken besides a large number of persons on the stage.

The program as arranged for the afternoon's exercise passed off without a flaw. Every speaker was in tune with the occasion and their utterances brought a great deal of applause from the audience. It was a great surprise to a great number of people, the patriotism shown by those present, who were representatives of almost every class and creed but every one of whom was an American citizen, proud of his or her country and ready to do all possible for it.

The stage and auditorium of the Opera House had been decorated with American flags and other designs appropriate to the occasion by the members of the Mason County Woman's Club. The decorations were arranged to the best possible advantage and the ladies who did the work deserve a vote of thanks for the time and efforts expended by them in preparing for the meeting.

The citizens themselves showed that they were patriotic and we believe that we would be safe in saying that at least 75 per cent. of those present were a decoration of some kind of the national tri-color, red, white and blue. Many carried flags.

Several of the local lodges attended in a body, being seated in the central part of the auditorium, this space being reserved for them. All of the lodges represented carried flags, some of them being very beautiful.

Myor J. Wesley Lee presided over the meeting.

The program opened with a song from the High School students, "America," many of the audience joining in. Divine blessing for the meeting was asked by the Rev. John Barbour.

Hon. C. D. Newell, Judge of the Circuit Court of Mason, Fleming and Bracken counties, gave the opening address of the evening. He said that the German people as a people were some of the best on the globe but they had the misfortune to be ruled by a King. He paid a glowing tribute to their patience and their advanced stage of civilization. He said that with the downfall of the Kaiser the war would soon cease.

The next speaker of the afternoon was Hon. A. D. Cole, one of the most prominent lawyers of Maysville. Mr. Cole explained how the Kaiser had taken possession of the idea that might is right until he had set out to conquer the entire world. He also spoke of the industry of the Germans and expressed the hope that the people of that country would soon rise against their ruler as did the Russians and establish a republican form of government. He said that government of the people, by the people and for the people was to exist.

Mrs. George Longnecker of the county, president of the Mason County Woman's Club, was the next speaker of the occasion. Her speech was short but she said that the women of Mason county were entirely willing to do their part to aid their country in every way possible and should it be demanded of them that they were ready.

The High School then sang the Russian National Hymn, in honor of the infant republic of the world. The Rev. N. F. Jones, pastor of the First Baptist Church, chairman of the committee on resolutions of the meeting, then offered the following resolutions, which he prefaced by a few remarks concerning the meeting and the words of the previous speakers:

RESOLUTIONS  
WHEREAS the Senate and Congress of the United States of America have declared that a state of war exists between this country and Germany, and WHEREAS we believe war is to be prosecuted by the government in the defense of our national rights, the highest interests of humanity everywhere and the total destruction of "militarism" as interpreted by the Imperial German Government, and WHEREAS we live our home and country and with all our hearts believe the fundamental principles of self-government as expressed by our forefathers in the federal constitution of which our never defeated flag, the stars and stripes, is the glorious emblem, therefore be it,

RESOLVED that we the citizens of Maysville and Mason County in Kentucky of the United States of America assembled in mass meeting in the City of Maysville in the Washington Opera House on the afternoon of April eight, 1917, representing the entire citizenship of said city and county, do hereby heartily endorse the message of our great President, Woodrow Wilson, as delivered by him on the 2nd day of April, 1917, before the Senate and Congress of the United States of America, and be it

RESOLVED that we approve the action of our Senate and Congress in declaring that a state of war exists between this country and Germany, and their further action in giving our President absolute authority in the prosecution of the war to a successful termination and pledging to him the support of every citizen and all the vast resources of this rich nation and be it

RESOLVED that we hereby sincerely pledge to President Wilson our loyal co-operation at home and abroad, on the land and on the sea, in the air and under the ocean and in every possible way our unstinted support in

waging this war to a speedy end and a glorious victory, and be it

RESOLVED that we view with profound gratitude and intense satisfaction the permeating influence of that fundamental principle of democracy, viz., the government of the people by the people for the people with equal rights for all and special favors for none and that we extend to young Democratic Russia heartfelt congratulations and very best wishes, and be it further

RESOLVED that a copy of these resolutions be sent to President Woodrow Wilson, a copy to be forwarded to the Russian government, a copy to be given to each newspaper in Maysville for publication and a copy be furnished our Honorable Mayor J. Wesley Lee, with the request that it be entered in the records of the city.

N. F. JONES, Chairman.  
J. J. COCHRAN,  
H. C. CURRAN,

Committee.

The resolution as read were unanimously adopted by the audience, a yes and no vote being taken. A laughable incident occurred when the vote was being taken. When the call for aye was made the house shook with the persons assenting. Mayor Lee then called for the noes. A small boy seated in the balcony of the house, called out loudly, "No."

The Rev. Will B. Campbell, pastor of the First M. E. Church, South, was next introduced by the speaker. Mr. Campbell showed how since the very beginning of history that God had frowned against men who had ambitions to rule the world. Starting with the invasion of barbarians in the second century he traced the various steps down to the present. He showed how Napoleon, the greatest general of the ages, had met his downfall and he said that it was God back of his downfall. He stated that the Kaiser in perfecting his plans to wage war against the entire world had failed to include in his plans and that he would not win on this account.

Ex-Congressman James N. Kehoe, president of the First-Standard Bank, was the last speaker of the afternoon. Mr. Kehoe first paid a tribute to President Wilson for being so patient with the German people during the great war and said that the time had come for everyone to back him. He recounted the various German crimes. He spoke concerning the flag of the United States and said it had never returned from any war stained in any part whatsoever. He urged every man in the audience to do all possible to aid his country and he said that any person who should refuse to put his country first was a coward of the deepest dye. He concluded his speech by reciting the famous poem, "Sail on, Ship of State."

The program was concluded by the singing of the Star Spangled Banner, the audience rising. The Rev. J. H. Fielding offered the benediction. An incident to be greatly regretted by every loyal citizen of Maysville was the fact that a large part of the audience left the building while the final anthem, the national air, "The Star-

Spangled Banner," was being played. Some few remained seated. Persons who would treat their country with such contempt as refusing to stand at attention while the greatest of all hymns was being sung are not patriotic, even though they wore the American colors and applauded each speaker.

The thanks of the citizens who attended the meeting should go out to those taking part in the meeting. Their services were greatly appreciated.

## TRY A LITTLE FRANKNESS

The whole-hearted alacrity with which the newspapers of the country have responded to the administration's request for prudence in the publication of military and naval information is proof positive that many of the features of the proposed espionage bill are unnecessary. The editors of the land have no desire to lend aid and comfort to the enemy, even unintentionally. On the other hand, they will resent being placed in a position before the law where they cannot express their honest and patriotic opinions regarding the conduct of an administration either in peace or war. The safety of the republic might require frankness as to some particular line of conduct pursued by an official or by a commander. If the newspapers could be muzzled, nobody can tell how many incompetents, in the departments at Washington, in the field, on ships, might get by without discovery until it was too late. When an administration demands silence and attempts to secure it by statute, there are bound to be suspicions. It is better to allay suspicion by frankness. That plan has worked well in the infrequent occasions when the administration has chosen to employ it. Better try it a while longer—and more often.

## THE ROYAL ROAD TO SUCCESSFUL SHOPPING

The advertisements which appear in The Ledger every day may be likened unto sign posts which direct and guide you to reliable stores, honest merchandise and economical buying.

Follow the advertisements closely. They will lead you to the most dependable stores in town. They will tell you of pure foods and where to buy them. They will tell you of the latest fashions, the most becoming styles and where to purchase wearing apparel to best advantage.

They will enable you to become thoroughly posted on everything you buy, to become a judge of values and to select all your needs at the lowest prices for which the best goods can be sold.

Bear in mind, that every advertisement in The Ledger tells the story of a reliable store, honest merchandise and right prices. You take no chances when dealing with The Ledger advertisers.

If you would travel the "Royal Road" to successful shopping, read the advertisements in The Ledger closely and constantly every night.

## AMERICAN INDUSTRY PREPARED

Industrial America is prepared for war, according to reports received from all over the country. The Government is not. When bids were opened some time ago for colossal stocks of army supplies hundreds of firms were on the job and ready to fulfill contracts at short notice, but the Government lacked the funds to enter into contracts, and necessary appropriation bills had failed in the Senate. Factories and railroads are ready to move like clockwork the instant war is entered into, but thousands of patriotic men throughout the country are obliged to drill without guns, and the stocks of ammunition are so low that target practice is reduced to a minimum. Industrial America developed its efficiency under Republican policies; the Federal Government lost its efficiency under a halting Democracy and a quibbling Administration. The influence of Republicans in stiffening the backbone of the Administration is already noticeable. There are bigger men in the Republican than in the Democratic party, as Mr. Wilson will learn if he puts country before party.

## COPENHAGEN EXPECTS GERMAN ALLIES TO REMAIN NEUTRAL

Copenhagen, April 5 (via London).—The expectation that Austria-Hungary and Turkey will remain neutral or the present at least, in the conflict of Germany with the United States, revealed in diplomatic circles here. The Associated Press is informed from unquestioned sources that that is the intention and desire of the two governments if left to themselves, but that if Germany insists upon their fulfilling the full measure of their alliance and making absolutely common cause with the senior partner in the alliance, they will, of course, have to yield and formally declare war.

## CARE OF THE HEN AND CHICKENS

Washington, D. C., April 6.—The proper brooding of chickens is one of the most difficult operations on many poultry farms, especially for the beginner. Many poultry keepers who are able to obtain good egg yields and fair hatches make a failure of brooding chickens, either in raising only a small percentage of the chickens hatched or in failing to rear strong, vigorous birds which develop into good breeding stock. Brooding is still in the experimental stage, and no one system has given perfect satisfaction. The poultry specialists of the U. S. Department of Agriculture advise the following procedure:

**Rearing Chickens With Hens**  
Sitting hens should be confined to slightly darkened nests at hatching time and not disturbed unless they step on or pick their chickens when hatching, in which case the chickens should be removed as soon as dry, in a basket lined with flannel or some other warm material, and kept near a fire until all the eggs are hatched; or the eggs may be removed and placed under a quieter hen whose eggs are hatching at the same time.

An incubator may also be used to keep the earliest hatched chickens warm, in case they are removed from the nest. If the eggs hatch unevenly, those which are slow in hatching may be placed under other hens, as hens often restless after a part of the chickens are out, allowing the remaining eggs to become cooled at the very time when steady heat is necessary. Remove the egg shells and any eggs which have not hatched as soon as the hatching is over. Hens should be fed as soon as possible after the eggs are hatched, as feeding tends to keep them quiet; otherwise many hens will leave the nest. In most cases it is best that the hen remain on the nest and brood the chickens for at least 24 hours after the hatching is over.

Powder the hen with a good insect powder before moving her and the chickens to the brood coop. The hen should be dusted every two weeks or as often as necessary until the chickens are weaned. If lice become thick on the chickens, or if they are troubled with "head lice," a very little grease, such as lard or vaseline, may be applied with the fingers on the head, neck, under the wings, and around the vent. Great care should be taken, however, not to get too much grease on the chickens, as it will stop their growth and in some cases may prove fatal.

The brood coop should be cleaned at least once a week and kept free from mites. If mites are found in the coop, it should be thoroughly cleaned and sprayed with kerosene oil or crude petroleum. From 1 to 2 inches of sand or dry dirt or a thin layer of straw or fine hay should be spread on the floor of the coop. Brood coops should be moved weekly to fresh ground, preferably where there is new grass. Shade is very essential in rearing chickens, especially during warm weather; therefore, the coops should be placed in the shade whenever possible. A cornfield makes fine range for young chickens, as owing to cultivation of the ground, they get many bugs and worms and have fresh soil to run on most of the time and enjoy abundant shade.

All the chickens should be toe-punched or marked before they are transferred to the brooder or brood coop, so that their ages and breeding readily can be determined after they

are matured. Farmers frequently keep old hens on their farms and kill the younger hens and pullets, because they are unable to distinguish between them after the pullets have matured.

Wash and scrub yourself to beat the band, but don't forget your stomach, bowels and insides—Hollister's Rocky Mountain Tea will clean them, quick and slick. Try it this Spring. 35c. Tea or Tablets. J. J. Wood & Son.

### WAR PROCLAMATION!

Washington, April 6.—The war proclamation signed today by President Wilson reads as follows:

"Whereas, Congress of the United States, in the exercise of the constitutional authority vested in them, have resolved by joint resolution of the Senate and House of Representatives hearing date this day 'that a state of war between the United States and the Imperial German Government, which has been thrust upon the United States, is hereby formally declared. 'Whereas, it is provided by Section 4067 of the Revised Statutes as follows:

unto set my hand and caused the seal of the United States to be affixed. "Done at the city of Washington, this sixth day of April, in the year of our Lord, one thousand nine hundred and seventeen, and of the Independence of the United States the one hundred and forty-first.

"WOODROW WILSON, "By the President: "ROBERT LANSING, "Secretary of State."

#### MANY WILL ATTEND OPENER

A large number of fans from this city are planning to attend the opening ball game in Cincinnati on next Wednesday, when the Reds meet the St. Louis aggregation. The opening game in the Queen City always attracts a large crowd from this city, all of whom are anxious to see the big leaguers play. At present it seems as if there will be no organized baseball in Maysville this year.

#### WILL INSTALL KLAXON

The Washington Fire Department has received a new Klaxon fire siren which will be placed at the corner of Market and Second streets to shriek warning whenever a fire occurs. This will be done to warn those in the streets to clear the way for the fire machine. It will replace a bell formerly at this place.

#### CAMPBELL TRIAL TUESDAY

The trial of John Will Campbell for stealing from an interstate shipment will be held on next Tuesday before Judge A. M. J. Cochran. The trial was set for Tuesday past but the defendant Campbell was not ready. Richard Watkins who was also indicted failed to put in an appearance and his bond was declared forfeited.

#### SCHOOL TEACHER

Anaemic, Run-down, Nervous—How She Recovered.

There are so many cases like this right here in Maysville that we are publishing this interesting letter with the hope that some of our customers will try Vinol and get the same happy result that Miss Baez did.

Key West, Fla.—"I am a teacher and became anaemic, nervous, run-down, no energy or desire to do anything. I could not sleep and had that languid, nervous feeling that made me a burden to myself. I had taken various tonics without benefit. I heard of Vinol and tried it. Soon I had a good appetite, could sleep all night and it built me up so I have the ambition to do any kind of work."

Mary L. Baez, Key West, Fla.

The reason Vinol was so successful in this case is because it is a constitutional remedy that goes to the seat of trouble. The peptonate of iron manganese and glycerophosphates contained in Vinol enriches and revitalizes the blood, while the strengthening, tissue-building properties of beef and cod liver peptone aid in building up the tired, overworked, run-down system. WORK THAT TELLS

Plenty of It Has Been Done Right Here in Maysville.

To thoroughly know the virtues of a medicine you must investigate its work. Doan's Kidney Pills stand this test, and plenty of proof exists right here in Maysville. People who testified years ago to relief from backache, kidney and urinary disorders, now give confirmed testimony—declare the results have lasted. How can any Maysville sufferer longer doubt the evidence?

Henry S. Gallenstein, blacksmith, 124 W. Third St., Maysville, says: "My kidneys were out of order and I had pains through my back. Doan's Kidney Pills put an entire stop to the pains and my kidneys became well." (Statement given January 9, 1912.)

RESULTS THAT REMAIN

OVER FOUR YEARS LATER, or on November 14, 1916, Mr. Gallenstein said: "I haven't had any need of a kidney medicine since I last recommended Doan's Kidney Pills. The benefit they gave me has been permanent."

Mr. Gallenstein is only one of many Maysville people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S KIDNEY PILLS, the same that Mr. Gallenstein has twice publicly recommended—the remedy backed by home testimony. 50c all stores. ### GEM OPENS TODAY

Popular Playhouse Again Resumes  
Showing Pictures After Being  
Closed for Several Months—  
Good Program Today.

The Gem Theater, which was closed to  
the public last summer on account  
of bankruptcy proceedings, reopens  
today under a new management,  
Messrs. Baughman and Salter of Cin-  
cinnati, Ohio, being the proprietors.  
They will show only high class pic-  
tures.

Since their purchase of the Gem  
several weeks ago, the gentlemen  
named have made a great number of  
changes in the interior arrangement  
of the theater. New machines have  
been installed, a Wurlitzer organ  
placed to furnish music, and other im-  
provements. New exits have been  
added and the place made as fireproof  
as possible.

On today Mary Miles Minter will be  
seen in the Mutual photoplay, "Faith."  
This picture will be in five parts.  
Mary Miles Minter, the blue-eyed  
and blonde little beauty of the Mu-  
tual's star aggregation, is playing for  
the first time in the new Kirkwood  
play "Faith" with her sister, Margaret  
Shelby, in the cast.

Margaret is the exact antithesis of  
Mary so far as complexion and gen-  
eral coloring are concerned, the for-  
mer being a pronounced brunette.

Little Mary had her chance on the  
stage before Margaret did, owing to a  
curious set of circumstances. They  
were looking for a child to appear in  
"Cameo Kirby," when it first went  
into rehearsal in New York, and Mrs.  
Shelby thought Margaret would be  
about right for the part.

When Margaret was introduced the  
stage manager thought her too large  
for the part. He was turning away  
when he caught sight of Mary.  
Ten minutes later lovely Mary was  
rehearsing with the company and  
since then she has been one of the  
foremost attractions on the American  
stage.

### ACCEPTED ADAMSON LAW

The C. & O. Railroad has accepted  
the provisions of the Adamson Law,  
eight hours work, ten hours pay,  
which was recently declared constitu-  
tional by the United States Supreme  
Court. The local yard crew will work  
under its provisions today, starting  
at 6:30 o'clock a. m. and quitting at  
2:30 o'clock. For all overtime they  
will receive time and a half.

### HELD PATRIOTIC MEETING

The pupils of the Pleasant Ridge  
School in the county, held a patriotic  
demonstration at their school on Sat-  
urday afternoon under the supervision  
of Miss Hetty Williams, their teacher.  
Appropriate exercises were held. A  
large 40 foot flag pole was planted and  
the Stars and Stripes were hoisted.  
Mr. Ed Kennard is the trustee of this  
school.

### PROMINENT MEN FIGHT

Two of Maysville's most prominent  
young business men engaged in an  
argument in front of the Ledger of-  
fice. One of them struck the other  
but before the second gentleman could  
retaliate he was seized by  
friends standing near and an ugly  
fight was probably avoided.

### MAYSVILLE BARACAS WIN

The Maysville Baracas won again  
yesterday in their contest with the  
Paris, Ky., Baraca Class. The Mays-  
ville class has been defeated but once  
during the contest and they are de-  
termined not to be beaten. The score  
yesterday was 73 to 47.

### FOUND FOR THE DEFENDANT

In the Mason Circuit Court Satur-  
day the case of Lottie O'Brien against  
Reese Wallingford was tried. Some  
sensational charges were made by the  
girl against the merchant but the jury  
returned a verdict for the defendant.

### U. R. K. OF P.

W. A. MUNZING, Captain.

Mr. Speed Hibbler, popular conduc-  
tor on the L. & N. railroad, who has

several weeks resumed his run this  
morning. His many friends will be  
glad to hear that he has recovered.

Col. A. J. Boyd, second trick oper-

### EASTER DAY

Appropriately Observed by All of the  
Churches of Maysville Yesterday.

Easter as an annual dress parade  
was a dismal failure yesterday. The  
pretty weather of Saturday caused  
many Maysvillians to build high hopes  
for the Easter day and many Easter  
bonnets and dresses and suits were  
bought in anticipation of the big  
"show" day.

But alas, many fond hopes were  
blighted. Early in the morning a gen-  
tle rain began to fall and a short  
time later a cold wave struck this sec-  
tion of the country, turning the rain  
into a sleet, later into a snow. As a  
result when the slumbering city  
awoke the snow was piling down at a  
rapid rate. The old clothes were dug  
out of the closets and presses and  
those who attended the morning  
church services had their old gar-  
ments on.

Easter services were held in all of  
the churches of the city, sermons on  
the Easter tide being given by the  
various pastors at the morning ser-  
vices. All report good crowds pres-  
ent at the services of the day but the  
attendance was far below the normal  
Easter attendance.

The following was the attendance at  
the Sunday Schools:

|                      |     |
|----------------------|-----|
| Christian            | 200 |
| Baptist              | 160 |
| Third Street M. E.   | 163 |
| First M. E., South   | 94  |
| First Presbyterian   | 66  |
| Forest Avenue M. E.  | 78  |
| Central Presbyterian | 62  |
| Second M. E., South  | 55  |
| Apostolic Holiness   | 48  |
| Total                | 625 |

There was no Sunday School at either  
the Episcopal Church of the city  
Mission.

The services at the Episcopal  
Church were very impressive. Begin-  
ning at 6 o'clock a. m. a Choral Cele-  
bration of the Holy Communion was  
held. At 10:45 a. m. the morning  
prayer sermon and the second Choral  
Celebration was held.

Several of the churches held musi-  
cal programs during the evening. The  
choir of the First Baptist Church  
rendered the Cantata, "Life Everlast-  
ing" to a large audience. The choir  
of the Christian Church sang various  
Easter anthems and praises. The choir  
of the Third Street M. E. Church ren-  
dered the cantata, "The Lord of the  
Easter-tide," the third Easter Cantata  
rendered by them and said by many to  
be the best of the three years.

Go to the Washington Opera House  
tonight—"The Great Secret" there.

member of the 16 Kentucky Infantry

War. He leaves a wife and several  
children. The funeral was held this  
morning at 9 o'clock from the late

## OTHER AMERICAN NATIONS

Ready to Follow the United States—  
Brazil Expected to Become Belligerent This Week Opinion  
Divided in Argentina.

Washington, April 8.—Early en-  
trance of several of the South and  
Central American nations into the  
war against Germany is regarded  
here as practically certain.

Brazil, aroused by the sinking of  
her steamship Parana, is expected to  
become a belligerent this week, and  
it is assumed that her lead will be  
followed promptly by other countries.

Reports of divided opinion in Ar-  
gentina have given officials here lit-  
tle encouragement to look for aggres-  
sive action by that country.  
Active support of the United States  
by at least two of the five Central  
American republics, and possibly by  
four, would not be surprising. Of-  
ficial and unofficial reports that Estrada  
Cabrera, president of Guatemala, is  
contemplating seriously a break with  
Germany have been received.

So long as Mexico's course is un-  
defined unusual interest is attached  
to the position the Central American  
governments, especially that of  
Guatemala, controlling the southern  
frontier of Mexico. In the event of  
the development of an unfriendly sit-  
uation in Mexico, it is realized that  
Guatemala's role would be far from  
unimportant. In Guatemala Estrada  
Cabrera has built up what is regard-  
ed generally as the most efficient  
army in Central America, and with it  
he would be in a position to lend val-  
uable assistance to the United States.  
Antipathy between the Guatemalans  
and the Mexicans there has existed  
for years.

It is known that earnest efforts  
have been made by counselors of  
Cabrera to induce him to enter  
promptly into the war. If he does  
place his country in the list it is ex-  
pected that Nicaragua will follow  
quickly and that the long-standing  
difficulty between those two countries  
and Salvador and Honduras may be

**WILL REMAIN IN MAYSVILLE**  
Mr. E. E. Clarke of Pittsburg, Pa.,

his headquarters at Lexington. We  
certainly welcome Mr. Clarke as a  
citizen of Maysville and hope that he

three counties, Mason, Bracken and  
Lewis, with Maysville as headquar-

Adjustments Restore Health Quickly  
and Permanently

Nature is the Chiropractor's only  
aid — adjustments release the pres-  
sure from the nerves and make the  
way free for Nature to do her part in
